

TERMS & CONDITIONS

1. NO COST WEAR AND TEAR WARRANTY

Hilti will repair purchased Hilti tools at NO-COST (parts, labour and freight costs inclusive) for up to 2 years* from time of purchase (the invoice date). The complete Hilti Tool Service 2018 Portfolio is defined as per [Annexure 1](#).

Accessories including but not limited to pull cord assemblies, detachable power supply cords, detachable chucks and filters for vacuums are not covered in any warranty. Customers who want these accessories to be replaced must notify during order entry and the replacement costs of these items shall be at customer's expense. If the tools are discovered to have missing spare parts during repair, they will be replaced but will be charged even during no cost period.

Any damages due to abuse, or use not in accordance with the tool operating manual, including but not limited to water damage and damage by dropping, or use of third party spares or attempt to self-repair are not included in no cost warranty coverage.

1.1 No Cost warranty on Diamond Sawing Tool

No cost warranty on diamond sawing tools will be applicable for 1 year (or) 200 hours whichever is earlier (refer [Annexure 1](#)). Coverage is on remote and saw heads. Accessories such as power & control cables, plastic cases are not covered in any warranty.

2. NON-REPARABLE ITEMS

The list of tools as per [Annexure 2](#) are non-reparable items, and Hilti will provide customers with a trade-in offer instead of repair services. In case customers want to repair these tools by themselves spare parts are available on order basis from Hilti Stores and Toll Free (1800-102-6400)

3. REPAIR COST LIMIT

After expiry of the aforesaid NO COST warranty, Hilti agrees to provide repair of tools with a REPAIR COST LIMIT (parts and labour cost inclusive) of 20% of the tool's LSP of the prevailing year, for a maximum of 3 years from the date of purchase. This predefined repair cost limit is applicable for every repair. [Annexure 1](#) details the latest list of tools and their respective repair cost limit value. Hilti reserves the rights to change the repair cost limit without any prior notice. Latest repair cost limit values are always displayed on the Hilti Website. Repair cost limit values do not include charges for outbound freight.

4. 1 MONTH REPAIR WARRANTY

Any repair arising within 30 days, after a charged repair, is covered for free. Parts, labour and freight costs will not be charged within the repair warranty period. 30 days period starts from the date of invoice of a charged repair and deemed to end if no repair order is received within 30 days for the same tool. Any exclusions under the "No cost wear and tear" warranty shall apply to the repair warranty. Repair warranty is not applicable in case of partial repair at customer's request.

5. MANUFACTURER'S WARRANTY

All tools are sold with the benefit of and subject to the conditions of the warranty supplied with them, which is available for inspection upon request. The manufacturer's warranty covers any defect arising out of defective materials or manufacturing faults, excluding but not limited to wear and tear, misuse and force majeure. Refer [Annexure 1](#) for tool wise manufacturer's warranty.

6. REPAIR ORDER NOTIFICATION

All tool repair requests shall be arranged through Hilti customer service (1800 102 6400), Hilti Store or Hilti Website (www.hilti.in). Upon repair order booking, customer name, company name, contact phone number, serial number of tool, pick-up and delivery address will be requested

7. TOOL PICK UP

Customer shall send only tools and accessories necessary for repair and maintenance as described in the repair order notification. Hilti will not bear any responsibility for additional items sent beyond what is listed on the repair order notification. The presence of customer at pick up location is required for verification and signature on delivery note as a proof of pick up. The delivery boy will notify the contact person provided during order entry in advance for pick up and wait for up to 15 minutes after arrival. As per government regulations, every individual tool must have a Repair Request tagged for commencement of time promise.

8. TOOL DELIVERY

The presence of a customer representative at delivery location is required for verification and signature on delivery note as a proof of delivery and acknowledgement of receipt. The delivery boy will notify the contact person provided during order entry in advance of delivery and wait up to 15 minutes after arrival. Hilti will only deliver back at the point of pickup.

9. REPLACEMENT OF PARTS

Only genuine parts will be used during repair. Any spare parts replaced will not be sent back. If the tools are discovered to have missing spare parts during repair, they will be replaced but will be charged even during no cost period. Customers who want accessories e.g. chuck, dust cap, depth gauge, side handle, to be replaced must notify Hilti during order entry and the replacement costs of these items shall be at customer's expense.

10. QUOTATION HANDLING

Quotations are sent upon request and only to the person registered for receiving quotation during repair order entry. The quotation will be valid for 30 days or 31st Dec of the current year, whichever is earlier, and repair request will be canceled if no reply to the quotation is received after reasonable number of attempts to obtain a response to the quotation.

If Hilti is unable to return the repaired tool back to you or obtain a response to the repair quotation after reasonable number of attempts of notification, final notification will be sent that Hilti considers your tool abandoned and that, if you do not collect it and pay any outstanding charges within a further 1 month, Hilti will have a right to dispose of it in accordance with applicable law.

11. NO APPROVAL VALUE

Hilti will proceed with repair without quotation approval, when the repair cost is less than or equal to INR 4,999 (exclusive of GST). Quotation will be provided for approval, if the repair cost is greater than INR 4,999 (excluding GST). If the customer wants to change this "no approval value", he/she can provide a different value in the form of preapprovals.

11.1 Preapproval Priority repair

Preapproval is when customer gives Tool repair quotation approval in advance even before sending the tool for repair. Hilti will give priority to the repair of tools that have preapprovals. [Click here](#) for the online preapproval form

12. TRADE IN

Tools that have reached the end of the economic lifetime or that has been phased out will be collected and scrapped by Hilti without repair after customer agrees for trade-in.

Under trade-in, the customer can exchange his old Hilti/competition tool, for a brand-new Hilti tool, and get benefits as per the ongoing offer at the time of discussion Terms & conditions will be as per the ongoing Trade-in offer during the time of discussion

13. TIME PROMISE

Hilti will repair the tool, with a time promise of 3 days or 5 days (depending on the location), upon the following terms & conditions:

13.1. Terms & conditions

- 13.1.1. Customer provides Hilti with written advice through Pre-Approval Form which enables tool repair without quotation. **For Pre-approvals, please call at 1800 102 6400 or the dedicated Account Manager**
- 13.1.2. The counting of days starts at the point of successful collection of tools by our third-party carrier and will only consider working days from Monday to Friday, excluding bank holidays and, if any, special non-working dates listed on Hilti Website.
- 13.1.3. Time promise applies only to collection point postal codes, as defined in the [Annexure 3](#) for "3 days or free" & [Annexure 4](#) for "5 days or free"
- 13.1.4. If the tool repair turnaround exceeds the Time Promise, then the repair will be free of charge
 - 13.1.4.1. Delays that result in a Time Promise failure and occurring before the invoice is generated will be free and not charged to the customer
 - 13.1.4.2. Delays that result in a Time Promise failure occurring after the invoice is generated will be adjusted in the form of a credit note within 3 weeks
- 13.1.5. Time promise will not be applicable for Repair done on "Cheque on Delivery" payment
- 13.1.6. If the tool is dropped off at Hilti Store, time promise will commence the next working day after tool drop at Hilti Store

13.2. Exclusions

The time promise will not apply but not limited to the following cases:

- 13.2.1. Charged repair orders requiring quotation
- 13.2.2. Charged repair orders of phased-out tools
- 13.2.3. Customer absence on the appointed date of tool delivery
- 13.2.4. Charged repair orders in other than the list as per [Annexure 2](#)
- 13.2.5. Charged repair orders for all non-relevant tools as per [Annexure 1](#)
- 13.2.6. Change of delivery date on customer request
- 13.2.7. Orders with incomplete information necessary for delivery e.g. delivery address and contact person
- 13.2.8. **Force Majeure:** Hilti shall not be liable for delays or any failure to perform the Time Promise due to causes beyond its reasonable control. Such delays include, but are not limited to, fire, explosion, flood or other natural catastrophe, governmental legislation, acts, orders, or regulation, strikes or labor difficulties, to the extent not occasioned by the fault or negligence of the delayed party.
- 13.2.9. For deliveries opted for Hilti Store, Tool Shall be delivered at the respective Hilti Store by end of business hours of the 3rd Hilti Working day.

14. CIRCULARITY

Hilti Cares about Circularity and assesses collected tools for reuse. Refurbished components of equal quality may be reused in repair. If reuse is not possible, we send tools to audited recycling partners

15. CHANGE IN POLICY

Hilti reserves the right to change the terms and conditions without any prior notice to customers. The latest terms and conditions are
